Public Accuracy Test: April 23, 2020

We, the Election Commission, hereby certify that notice of this test was published in accordance with Michigan Election Law prior to the conduct of the test and the container holding the testing materials was sealed with the seal recorded on the Preliminary Accuracy Test Certificate. The precincts listed, Precinct 1 and Precinct 2 were tested at the Public Accuracy Test using the test deck prepared under the direction of the Election Commission and the results agree with the predetermined test deck results. In addition, the tabulators were reset to zero and memory devices were sealed with the seal numbers recorded on the Test and Security Certification form, and on the Clerk's Preparation Certificate in the Poll Book of the precinct to which the tabulator was assigned.

Further the zero tapes, test deck, program predetermined results, and results of the Public Accuracy Test were secured and sealed in an approved ballot container following the test with seal number 0012034, on April 23, 2020.
