The Michigan PFAS Action Response Team (MPART) will host a public meeting about the per- and polyfluoroalkyl substance (PFAS) investigation associated with the North 34<sup>th</sup> Street site. A MPART representative will share information about MPART and an overview of PFAS, which are a large group of human-made substances used in manufacturing, firefighting, and consumer products. The Michigan Department of Health and Human Services will provide information about possible health effects related to PFAS exposure. A representative from the Michigan Department of Environment, Great Lakes, and Energy will provide an overview of the PFAS investigation, PFAS data gathered, and next steps including proposed municipal water extension. Community members will have the opportunity to ask questions after the presentations.

**More information about PFAS can be found at**

[Michigan.gov/PFASResponse](https://Michigan.gov/PFASResponse).

State and local agencies will provide information and answer questions from residents during the meeting. Individuals needing language assistance or accommodations for effective participation at the meeting should contact Kelly Ploehn at 517-897-4670 by October 16, 2023, to request language,
